ABOUT ME

As a creative and tech-driven Computer Science student, I am always eager to learn and develop new skills. Using my background in visual design and technical operations, I am looking for an internship position where I can practice my abilities as a Graphic Designer, Visual Artist, UI/UX Designer, or Frontend Developer and gain real-world experience.

SKILLS

Technical Skills

- Graphic and UI/UX Design
- Video Editing and Multimedia Production
- Live Broadcasting Operations
- Event Photography and Visual Documentation
- Frontend UI Logic and Web Structuring
- Computer Troubleshooting and Hardware Maintenance
- Project Management and Workspace Setup

Soft Skills

- Creative Direction and Leadership
- Team Mentorship and Training
- Adaptability and Fast Learning
- Problem Solving and Critical Thinking
- Time Management
- Teamwork and Collaboration

EXPERIENCE

Founding Head, Visual Arts Department *August 2024 – July 2026* Junior Philippine Computer Society – Quezon City University Chapter

- Produced event visuals, promotional videos, and comprehensive photo documentation, delivering high-quality multimedia assets that significantly drove digital marketing campaigns.
- Conceptualized and designed the official organization logo and core merchandise (lanyards, polo shirts, pins), establishing a unified and highly recognizable brand identity.
- Managed a creative committee by delegating tasks, conducting technical software training, and executing final design approvals, ensuring high-quality outputs and timely project completion.
- Directed live audiovisual operations by configuring complex projection and professional livestreaming setups, ensuring seamless technical execution and zero downtime.

Government Internship Program (of DOLE) Intern *September 2023 – December 2023* Office of the Barangay Captain, Barangay San Bartolome

- Facilitated frontline constituent assistance by guiding visitors and addressing inquiries, ensuring prompt public service delivery and an organized flow of community members.
- Provided comprehensive administrative and logistical support, including the physical mobilization of resources, contributing to the efficient daily operations of the barangay office.
